EXPERIENCE

Web Developer

CodSoft

📅 06/2023 - 09/2023

- Developed a fully functional website using frontend technologies such as React.js, HTML, and CSS.
- Collaborated with a team of designers and developers to implement a visually appealing and user-friendly interface.
- Utilized React.js to create interactive components and enhance user experience.

EDUCATION

BCA

INSTITUTE OF INNOVATION IN TECHNOLOGY & MANAGEMENT

📅 09/2020 - 07/2023 📍 Janakpuri, Delhi

Senior Secondary

Govt. Sarvodaya Vidyalaya

📅 2018 - 2020 📍 Sarawati Vihar, Delhi

PROJECTS

CloudCraft Weather Application

📅 07/2023 - Present

CloudCraft is a simple weather application that allows you to retrieve and display weather information for a specific city. You can enter the name of a city, click the search button, and get real-time weather data.

Airdopes Landing Page

📅 08/2023 - 09/2023

- Developed a visually appealing and user-friendly landing page for Airdopes utilizing HTML and CSS.
- Implemented various design elements and layouts to enhance the overall aesthetics and functionality of the page.

Blog website

📅 08/2022 - 01/2023

INSTITUTE OF INNOVATION IN TECHNOLOGY & MANAGEMENT
HTTP requests and routing
- Integrated authentication and authorization features using JSON Web Tokens (JWT)
- Implemented RESTful APIs for CRUD operations on blog posts
- Designed and optimized the website for responsiveness and mobile compatibility
- Collaborated with a team of developers to ensure seamless integration and deployment of the website
- Conducted thorough testing and debugging to improve the website's performance and user experience

CERTIFICATES

</> Introduction to programing in Python

- Learned Python language through comprehensive training on DataQuest and Microsoft platforms
- Developed a wide range of practical skills in Python

🖥 Command line in Linux

- Mastered Linux basics and advanced command line operations through dedicated self-study and hands-on practice.

MERN Stack

Achieved proficiency in MERN technologies through dedicated self-learning, resulting in the successful development of multiple full-stack applications.

🔍 Introduction to CyberSecurity

Obtained a prestigious certificate in cybersecurity from Cisco, demonstrating proficiency in cutting-edge technologies and industry best practices.
